Email Address

I have fully read the Large Grants Program Guidelines & Conditions\*

Yes

\*

## Application History

Have you previously received funding under the Recreational Fishing Small or Large Grants Program?

Yes

No

If Yes what was the application number and project title of your most recent application

Have you submitted a final/acquittal report for that project?

Yes

No

## Proposed project details

\* indicates a required field

Name and location of project\* \*

If applicable, attach a locality plan, photo's of the area and a Melway/VicRoads country directory map reference numbers

Attach a file:

The grant is for\*: \*

- Recreational fisheries sustainability and habitat improvement
- Recreational fishing access and facilities
- Recreational fisheries related education, information and training
- Recreational fisheries research

**Access and facilities projects must be constructed to a standard that is suitable for persons of all abilities.** Any application that does not meet this criterion will be assessed as ineligible and not considered for funding.

# 2024/25 Large Grants Program - \$5,500 and \$110,000

## Form Preview

**Describe your new proposed project and how it will improve recreational fishing in Victoria. Include how you will demonstrate/communicate the success of the project to recreational anglers\* \***

### Proposed cost of the project

\* indicates a required field

### Purchasing thresholds

The following purchasing thresholds and design drawings, specifications and work permits requirements (as applicable) apply to proposals under the Large Grants Program where the grant applicant will be purchasing goods and/or services to conduct the project.

Valued from \$5,000 to \$25,000 - **A minimum of one written quote** and design drawings, specifications and work permits as applicable.

Valued from \$25,000 to \$100,000 - **A minimum of three written quotes** and design drawings, specifications and work permits as applicable.

### Signage

**For infrastructure type projects**, grant recipients will be required to erect appropriate signage reflecting RFL funding being provided for the project (i.e. 'Your fishing licence fees at work') and this cost should be provided for in the cost of the project.

You should also consult the body responsible for the site and maintenance of the facility regarding **any safety signage** that may be required during the project or following its completion.

Signage supply and installation costs can be included in your grant application.

**Have you consulted the body responsible for the site and maintenance of the facility regarding the installation of signage\***

Yes

No

Not applicable

Other:

**If No, please provide details on why provision has not been made to upgrade signage, as required, at the site**

### Project cost

# 2024/25 Large Grants Program - \$5,500 and \$110,000

Form Preview
